Dear Mrs Chapman

At what price may I sell the large engravings? "The wounded Soldier" "the Introduction of Christianity." "The Centennial Celebration" &c. A gentleman has offered $3.00 for the first two & the view of Glasgow, no one of them & the latter for $3.00. A gentleman want the Centennial Celebration if it can be had cheaply enough. They are so much engaged that they must be sold low if disposed of at all.

We succeeded very well in our efforts. Sold a number of the articles you sent - some of them

MS.A.G.2.29.73.A

for some less than the price
marked. Will return the
goods very soon after getting
your reply.

Respectfully
Yours
